Water Supply

Year	Country	Title	Beneficiary / Financing
1999	Mali	Action of consolidation for 151 solar powered water pumps for the Regional Solar Program	DNHE / E.U
1999	Senegal	Complementary feasibility study on the program for drinking-water supply and irrigation of Khalbane Sall and Kandalla Mbengue	EAU VIVE / EAU-VIVE
1999	Senegal	Study and implementation of the project of water supply to Kayar	DHA - MH / AFD
1999	Senegal	Implementation of the reform on water stations management in 300 villages located in the regions of Diourbel, Fatick, Kaolack and Thies (REGEFOR)	DEM - MH / AFD
1998	Guinea	Evaluation of the Division for Training and Monitoring of the National Service for Watering Places Development (SNAPE)	SNAPE / E.U
1998	Regional	Technical assistance to the definition of consolidation actions for the Regional Solar Program (Phase 2)	CILSS / E.U
1998	Regional	Study: "Transition schemes through a sustainable energy system in sahelian countries" (Joule Program)	CE-DGXVII / E.U
1998	Senegal	Socio-economic supervision of 10 pumping stations for the Regional Solar Program	CILSS / E.U
1998	Senegal	Feasibility study on water supply via solar and/or wind powered pumping to localities covered by the integrated project of the Delta of Djoudj	GTZ / GTZ
1997	Burkina-Faso	Study on the reform of maintenance management for photovoltaic water-pumping equipments	MH / AFD
1997	Regional	Technical assistance to the definition of consolidation actions for the Regional Solar Program (Phase 1)	CILSS / E.U
1997	Senegal	Implementation of the project of water supply using wind-powered pump systems in 30 villages of the Saint-Louis region (Alizés Senegal Project)	DE - MEMI / FAC-Région Nord Pas-de-Calais
1997	Senegal	Study on the reform of the management of motorised water pumping stations in rural areas	DEM - MH / AFD
1996	Burkina-Faso	Assistance to the communication team for the implementation of the RSP in Sissili	MH / E.U
1996	Regional	Coordination of the meeting of Directors of Hydraulics and Energy from the Entente Council member countries	Entente Council / AFD
1993	Regional	Study to identify the second phase of the Regional Solar Program (Guinea – Bissau, Gambia, Senegal, Cap-Vert)	CILSS / E.U
1992	Burkina-Faso	Organization of a training session for the coordinators of the Sourou-Yatenga - Passoré project for the Regional Solar Program	MH / E.U

Water Supply

Year	Country	Title	Beneficiary / Financing
1992	Guinea	Study on populations' motivation to pay for water (coordination and analysis of the surveys)	SNAPE / World Bank
1992	Guinea-Bissau	Analysis of the financial mobilization conditions for water pumping stations in the framework of the RSP	CILSS / E.U
1992	Senegal	Coordination of the communication team and support to the national coordinator of the Regional Solar Program	MH - DHA / E.U
1990	Regional	Study on the Regional Solar Program's financial plan of action (Senegal, Gambia, Niger)	CILSS / E.U
1989	Burkina-Faso	Evaluation of the French programs for photovoltaic water-pumping in Burkina-Faso	ADEME / ADEME
1989	Mali	Identification study for a program about small-scale photovoltaic water supply to villages	HYDRASOL / HYDRASOL Corp
1989	Senegal	Study and implementation of a photovoltaic pump set in Mbolo Ali village (department of Podor)	CRS / CRS
1989	Senegal	Study on the existing resources in Podor department that can be mobilized for the management of solar-powered pump sets	DHA - MH / E.U
1988	Senegal	Detailed identification study on the sites that are to receive solar pumping equipments in the framework of the Regional Solar Program (1st phase)	DHA - MH / E.U
1987	Regional	Study on the technical specifications of the photovoltaic pumping equipment for the RSP	CILSS / E.U
1987	Regional	Informational study on the Regional Solar Program in Mauritania and Senegal	CILSS / E.U
1987	Regional	Summary and review of the European supply of photovoltaic equipments for pumping and electrification	CILSS / E.U
